Nightmare Hotel

I **walked** up the hill
To the Nightmare Hotel
I **stopped** at the door
But I couldn't see the bell

I **knocked** and I **waited**
In the cold and windy night
I **looked** in the window
But there wasn't any light

That's when I **noticed**
The door was open wide
Then it **started** raining
So I **walked** inside

The door **closed** behind me
I **asked** 'Who's there?'
That's when I **noticed**
The rats on the stairs

I **turned** round to leave
But I couldn't see the door
That's when I **noticed**
The body on the floor

Then the body **moved**
The woman wasn't dead
She told me her story
This is what she said:

I also walked up
To the Nightmare Hotel...
